

WE WANT YOUR FEEDBACK!

Tell us what you think about Mississippi's early childhood system.

If you:

- Work with children from birth to age 8, like in a child care center, preschool, home visiting, EI or ECSE, K-2, etc.
- Live in Mississippi

THEN TAKE OUR SURVEY!

The Mississippi State Early Childhood Advisory Council (SECAC) wants to learn about your experiences providing early childhood programs and services, and what you think needs to be improved to better support Mississippi's young children and families. Your expertise as an educator and provider is critical to the SECAC's work to improve Mississippi's early childhood system!
